EXPENDITURE EXPLANATION

There is no anticipated direct material effect on governmental expenditures as a result of this measure.

REVENUE EXPLANATION

There is no anticipated direct material effect on governmental revenues as a result of this measure.

According to an official with the Town of Sterlington, this measure is revenue neutral as it will allow the Town of Sterlington to collect a sales and use tax dedicated for maintenance of roads in the city limits that is currently being collected by the Ouachita Parish Police Jury. The rate, purpose, and duration of the tax will remain unchanged, but the governing body collecting the revenues will change.

According to an official with the City of Monroe, this measure would decrease revenues for the parish and increase revenues for the given municipality.
